Paul Kane Students receive high honors

Paul Kane High School's Top Honour Graduates in 1966: (from left to right) BRUCE McLELLAN, BRIAN WESLEY, TONY HARVEY AND TONY REDPATH, pictured on Award Night at the school. All four boys are now attending University, Bruce and Brian in Honours Physics, Tony Redpath in Honours Chemistry and Tony Harvey in Law.

Tony Harvey was an active and enthusiastic President of the Students Union, contributing much to his school's morale last term.

Tony Redpath and Bruce McLellan were on the team which participated in the "Reach for the Top" television program last

year. They continued to the semi-finals and won a set of 50 Harvard Classics, a set of 10 Canadian Encyclopedia and two Hammond Atlas volumes for their school. Other team members were Dieter Fabian and Philip Henry.

In addition to the awards presented on Award Night, Brian Wesley and Tony Redpath were each presented with a \$250 Scholarship by the Ladies Auxiliary to Alberta Provincial Command to the Royal Canadian Legion. Bruce McLellan also won an additional scholarship to be presented to him at the University from INCO. The scholarship provides \$300 plus, up to a total of \$700 per year, for four years.

Alderman inspect Drayton Arena

The new Centennial Arena in Drayton Valley was visited Oct. 2nd by Councillors de Bruijn, Gibbon, Wheatley and Parks Supt. A. Gate. This structure has seating for 800, a hard-surfaced ice area, artificial ice plant and an annex for a library.

Total cost of about \$240,000 was provided as follows: \$100,000 by the Town, \$70,000 by adjacent municipal districts and \$35,000 was received from private grants.

The party concluded that St. Albert could have the first stage of such a building for \$75,000,

A challenge for our Teens!

Father Primeau's first article for our teens (see page 2) is a challenge to all our youngsters!

In other words, anybody who doesn't agree with Father Primeau (many times called "THE FIREBALL") or has a comment on his column is invited to reply. Write your letter to Father Primeau - Morinville and tell him in your teen language what you think about it. Let's make this "TEEN COLUMN" an interesting one, full of humour, full of facts, with an open mind and progressive thoughts!

Award Night held Oct 5th gave convincing evidence of the school's high standard. Out of 26 students trying senior matriculation, 20 were successful becoming eligible for University entrance. Four of these students (see photo) achieved averages of over 80%.

A Paul Kane student received awards for the highest academic average in Departmental examinations in Grade 9 in St. Albert. To students of this school went also the top four out of six awards given for highest standings in St. Albert for Grades

Our Brigade needs your help

DEAR CITIZENS OF ST. ALBERT: May your Volunteer Firemen bring to your attention the week of OCTOBER 9th - 15th - FIRE PREVENTION WEEK-

This is the best time for us to remind you of the very real danger of accumulated rubbish to your home and your lives. We urge you to set aside a day of this week to do away with all such rubbish.

There is also no better time to check and service your heating installations in preparation for the cold weather ahead!

We ask your co-operation in conforming to the Fire Preven-

tion By-law which prohibits the storage of gasoline in any quantity in a home. The by-law is for your own protection and that of your family.

There is a cause for every fire and by doing away with the causes we can do away with the fires. Your Fire Department is willing and anxious to assist you in any and every way in these preventive measures. How infinitely much better to prevent the fire than to fight it!

The Firemen are conducting Home Inspections in the Sturgeon Heights area this year to assist you with fire prevention in the home. In addition we welcome

your calls if you have any problem whatever in connection with Fire Prevention and Safety. Call us at 599-7021 anytime. (In case of fire call 599-7777).

If you will work with us we are sure that we can reduce our fire losses even more than in the past. While we have to date reduced our fire losses from last year we are satisfied we can do better if we have your help.

You are all welcome to visit the Fire Hall - home of your Fire Protection Services any time from 8 a.m. to 5 p.m. Mondays through Fridays. DON'T GIVE FIRE A PLACE TO START !!!

Kinsmen sponsor Kincinema

In an effort to provide a service no longer existing in St. Albert, the Kinsmen Club are pleased to announce that commencing Saturday, October 15th, 1966, they will be sponsoring a weekly movie for the children in this Community and the surrounding district. The shows will be primarily for children twelve years old and under, although older children or adults accompanying younger ones will be admitted.

All pictures to be shown during the coming season are top rated children classics and will include such favorites as "Fluffy", "Old Yeller", "That Darn Cat", "Bambi", "Dumbo", "Tiko and the Shark" and many others. Due to the expense of bringing in such shows the admission price was set at thirty cents.

These movies will be strictly supervised by the Kinsmen and children misbehaving or acting in an improper manner will not be allowed to remain in the hall. It is felt that this is an important prerequisite if such shows are to be enjoyed by the children as a whole.

Showtime each Saturday will be 2:00 p.m. Sharp in the St. Albert High School gym. The School is located west of the M/M Store on Mission Avenue. A snack bar is to be provided and a special feature at each performance will be the distribution of ten free passes for coming attractions.

Having acquired the services of projectionist Morris Campbell the Kinsmen are hopeful that this endeavor will serve a worthy purpose in our town and will bring a great deal of enjoyment to the children in our community.

MAYOR'S COLUMN

On this Thanksgiving Night (Monday), one may ponder on the many things for which thanks are due. I believe all of Council are thankful for having the opportunity of being part of the undermentioned accomplishments of the past year.

1. Completion of the Joint Use Agreement with the two local School Boards.
2. The appointment this month of a new Recreation Director.
3. Our part in the formation of the Sturgeon Hospital Board last Fall with plans for a new hospital to start construction this Fall.
4. Formation of the Centennial Advisory Committee to promote, encourage and co-ordinate all Centennial activities in St. Albert.
5. The calling of tenders this month for St. Albert's Centennial Library, at a proposed cost of \$85,000.00, of which only \$37,966.00 will be provided by St. Albert Ratepayers.
6. The installation of highway lighting this month along that portion of the highway within St. Albert.
7. A written commitment from the Provincial Government that they will light that portion of the highway between St. Albert and Edmonton in the Spring of 1967. (Steel posts and underground wiring material are unavailable this Fall.)
8. The Welfare Roll reduced by one-half.
9. A solid recreation capital works programme brought before the people in the form of a By-law and to be voted upon on October 19th, with the hope of

October

By Clara Cline Thompson.

I love this land, this Autumn land of mine,
The red splashed colors and the design
Of misty clouds across a brilliant sky.
That look like fairy sailboats riding high.
Then there is a place where the Heavens meet a hill,
Where a harvest moon paints silver on every rock and rill.
A jagged mountain, magnificently scarred and brown,
Where blue and purple shadows seem to leap and bound
To trees, whose summer dress has turned to gold,
Soon to be so bare against the white, white cold.
I love this land, and as I tramp the thirsty sod
I whisper softly, "Yes, this is the work of God."

One man's viewpoint

by ROBERT RUSSELL.

While the 1966 Civic Election promises to be one of the duller on record, it will be a welcome change from the court actions, libel suits and high blood pressure normally associated with St. Albert elections.

However, as responsible citizens, we should take a careful look at one of the By-laws and a referendum being presented to the taxpayers.

The Kindergarten referendum is proposed by some well meaning people but it will cost the taxpayer another 4 mills and that is just too much of an extra burden to carry. Alberta is one of the few provinces that doesn't give financial assistance to kindergartens and it's high time it did. On the other hand it doesn't make much sense for us to try to go it alone when we should be pressuring the Provincial Government to take action in this field.

Let's also take a hard headed look at the Recreation By-law proposed by the Council. At the present time, we have a large population of youngsters and very little in the way of recreation facilities. The idea of a Sports Complex is commendable but, this is 1966 and we have a responsibility to provide swimming pools, hockey areas, and tennis courts before the year 1967 is out. We will build a sports complex in this town someday and we should be planning for this now. In the meanwhile we have to have community facilities we can afford and this By-law gives us the opportunity to make this town a better place in which to live and raise a family.

Post office combats dog bite

The Honourable Jean-Pierre Cote, Postmaster General, disclosed today that the Letter Carriers in the Vancouver area would soon be equipped with an animal repellent spray. This test in the Vancouver area is a further step in the programme of the Canada Post Office to minimize the possibility of postal employees being bitten by dogs.

In 1965 there were 579 incidents of dog bite resulting in the loss of 353 days to mail delivering employees. The policy of the Canada Post Office has been to appeal to patrons where there is a dog menace to control their pets or have delivery service discontinued. The statistics, Mr. Cote said, point up the inadequacy of the existing policy and indicate that other safeguarding methods must be tried and adopted.

The animal repellent which will be used in the Vancouver area, the Postmaster General said, is derived from the pepper plant, has no lasting harmful effect on dogs or humans and will be packaged in a pressurized spray container. The discharge from the container will leave a yellowish colouration on a dog's hair. This is removable by washing. The colour can also be easily removed from clothing by dry cleaning or the use of commercial spot removers.

By
Father Primeau.

A lot of ink has been spent and is being spent by a lot of people criticizing, praising or condemning young people. Youth, according to these writings, never seem to do things right. Whatever they do is wrong. We don't like their hair... we don't like the clothes they wear... we don't like their actions. Especially we dislike their criticisms of our way of life.

Recalling our own youth, we have to admit that we also did not like all the things we saw. But in our days life was more simple. We had more security in our homes; authority had to be respected and obeyed... and perhaps adults listened to us a little more. We were less criticized. Life meant something to most of us. Or, rather, we did not think of such problems.

But now... young people witness rebellion all over the world-violence in every sphere of life. Selfishness is rampant... let's have a good time -- while we can get it. Or so it seems.

Perhaps this is the reason why so many of our teen-agers are trying to get the most out of the time they have.

It is true that students are troublesome people, and I believe they should be. Why shouldn't they question the world that we prepared for them? Should we be surprised to see them going out for kicks? At times their method of seeking excitement is pretty stupid: reckless driving on the highways is commonplace... drug addiction is on the increase... glue sniffing... the rage...

And I wonder who makes all these things available? I wonder who is capitalizing on young people's buying-power?

Who is catering to all their whims?

Who is giving them all these fads?

Did young people invent: "Buy now... Pay later?"

How many adults are ready to give time to help in sports... in youth activities? We have no time for them. And when youth take things into their own hands -- and exaggerate -- we jump on them. Is there a place to which

they can go?

Family life is fragmented, often chaotic. See the high divorce rate and "one-parent families". Young people cast sharp eyes on the adult world. They often wonder who is loving whom. I wonder too... Love cannot be bought -- it has to be earned.

Notwithstanding the publicity... the bad publicity... the revolts... the high accident rate... the quick fads... the sniffing, I think we have a wonderful group of young people. Look at the program "Reach for the Top". If there is a failure, it must come from us, adults. If we do set the pace, the goals, the ideals; if we strive to understand our young people; if we create the atmosphere, they will carry the ball... they will make this world a better place to live in.

You... Young people... have the energy, the spirit, the enthusiasm, the opportunity to really set this old world on fire. Go to it! Never mind the others -- be personal, imaginative, creative.

If you want to go places -- you will need conviction, energy and sacrifice. Without these, you become parasites. The world does not owe you a living -- you owe the world everything.

From

Our Readers

Dear Sir:

Until the Provincial Government solves the problem of the best form of government for towns the size of St. Albert we definitely need to pay a salary to the mayor.

The Town and Village Act fixes the mayor with duties that require at least 30 of his hours each week. Unless a person has an independent income he will suffer a financial loss. Ask former Mayor Veness.

The only solution is to compensate for the loss of income suffered as a part-time or full time mayor.

It is said that "you only get what you pay for". We need the services and leadership of a mayor of above average abilities, \$6000 is a small price to pay for such a mayor.

Our Town has financial problems requiring long range solutions. These problems will remain regardless of the form of government. In the meantime to have efficient controllable administration under present provincial legislation, we need a mayor whose sense of responsibility is heightened by the receipt of adequate monies.

Not counting school monies, the Town will spend one million dollars this year. I cannot accept uninformed opinion that \$6000 of this money is too much for the mayor.

I would urge everyone to get out and vote for this by-law.

Yours sincerely
R. G. Wheatley -
Councillor.

The first snow in the 1966/67 St. Albert Winter Season was the surprise on Tuesday October 11th. Was this really start of the winter or was it just a reminder that we are getting closer and closer to Christmas? The beautiful sunny fall couldn't stay forever as all of us had hoped. School Trustees Meet

The Board received a delegation from the St. Albert Kindergarten at their meeting Sept., 12th. It was decided the Kindergarten be granted the use of the easterly portable school building of the Father Jan School site, during the 1966-67 term, at no rental cost. However the Board is to be reimbursed \$280, calculated at \$35 per month for the 8 months required by the Kindergarten, being the estimated expenditure for utilities, maintenance insurance etc.

1340 STUDENTS:
 Superintendent advised the following preliminary enrollment figures: Vital Grandin - Gr. 1-8 - 641; Father Jan, Gr. 1-6 - 173; Albert Lacombe, Gr. 1-5 - 226 and High School, Gr. 9-12 - 300, for a total of 1340 students in the Public School system. Because of the overcrowded conditions in Grade one, he was authorized to open another room

in the Father Jan School for this grade.

The Secretary-Treasurer was authorized to purchase an incinerator for the high school at an approximate cost of \$329.00.

Sewage Project Loan

Approval of an \$8,000 federal loan to the Town of St. Albert, Alberta for a sewage treatment project has been announced by the Honorable John R. Nicholson, Minister responsible to Parliament for Central Mortgage and Housing Corporation.

Provided under the National Housing Act, the loan will be repayable over a period of 25 years with interest at 5 7/8 per cent per annum, and is based on an estimated cost of \$12,000.

The NHA loan will assist the town to construct an extension to the sewage stabilization pond.

For work completed on or before March 31, 1967, CMHC may forgive repayment of 25 per cent of the principal amount of the NHA loan and 25 per cent of the interest that has accrued in respect to the loan as of the date of completion of the project.

SCHOOL BOARD MEETS A NEW IMAGE?

Board of Trustees of the Sturgeon School Division met Sept. 13 & 14th.

Present at the meeting were Trustees Austin, Lesburg, McDonnell and Wilson; Supt. Kunst, Sec. Treasurer Krauskopf and Recording Secretary McDermott.

A motion was passed authorizing St. Albert Cabs be authorized to pick up and return daily the students attending the Grandin Pre-Employment Class, after a report from Mr. McDonnell that Sturgeon students were unable to make regular connections. Mr. Wilson reported that busing to the City appears to be working satisfactorily.

A letter will be sent to the Bus Drivers thanking them for their co-operation in assisting the Board in planning the new routes.

BUILDINGS:
On a request from the staff, it was decided to leave the old one-room school at St. Charles for the time being to be used as a playroom and that it be heated through the winter.

The Board will tender the two-room school at Camilla and/or the furnace plus fuel tanks, and that tender include immediate filling and levelling of the hole to the Board's satisfaction.

SIX SCHOLARSHIPS AWARDED:
Sturgeon Scholarships were

awarded to Joyce ROMANOWSKI, Namao, \$250; Stewart BEHIELS, Thibault, \$200; Marilyn HODGINS, Namao, \$125; Brian WHITSON, Camilla, \$125; Dilys CASSIDY, St. Albert #3, \$75 and William PRYBYSH, Horse Hill, \$50.

Asst. Supt. Mr. Voghell reported that the French Program at Cunningham has been initiated from Grades 3 and up. He also suggested that, in view of the proposed Policy Meeting, some changes may be warranted under the Bursary program.

Shop equipment gathered from Bon Accord, Camilla and Legal schools, will be moved to the gymnasium at Cunningham and be catalogued for sale.

TEACHER RECRUITMENT:

Mr. Alan Fretwell, Principal at Gibbons School reported on the hiring of five teachers for Sturgeon while he was in England, outlining the problems connected with gaining recruits from England and stating that he could have brought many more with him had Sturgeon required them. He also reported briefly on the Reading Conference in Paris and will report more fully at a later date.

SUGGESTIONS FOR IMPROVED PUBLIC RELATIONS:

Mr. J. Khullar spoke on various

aspects of the Board improving its public relations with teachers, parents and the general public. A suggestion that a Board Teacher Committee might be formed to work together on problems involving education in Sturgeon, was made by Mr. Kunst.

The Board agreed to meet at the call of the chairman for a full day to deal with policy to revise the Policy Handbook.

Upgrading of school libraries is underway, working towards integrated and coordinated service in all schools.

resumes meetings

Twenty members and a visitor attended the first Fall meeting of St. Albert's Womens' Institute Sept., 27th at the home of Mrs. Swane.

Many useful lunch box ideas were welcomed by the members from a discussion of the subject by Miss Oake, Home Economist.

Although the group does not meet during the summer months, the members remained active in various community projects. They were official hostesses for a Senior Citizen's picnic, helped at the opening and closing of Mission Park Playground and continued work on their Centennial project of improving the grounds at the Community Hall.

They look forward to an active and busy new season.

FOOTBALL TEAM WINS AT LACOMBE:

The St. Albert High School Football Team sparked by Art Bretton and Phil Racine came up with a decisive 32-6 victory over the Lacombe squad on Saturday October 8th.

Louis Matineau came up with a Touchdown on the second play-of-the game. Racine ran the extra point and the team never looked back. At the 11 minute mark of the 1st quarter Racine scored the second T.D.

In the 3rd quarter Neil John Ross got the third touchdown of the game and Bretton kicked the extra point. Bretton setting a fast pace went on to score a further touchdown in the 3rd and a final one in the last quarter, while the team held Lacombe to six points.

Full-backs Bretton, and Ross, quarter-back Racine and Peter Lee, offensive end were offensive standouts, backed up by Ken Faulkingham, and Danny Calihoo, linebackers and defensive centre Terry, defensive stars of the game. The team played hard and well and should do well in the games coming up.

May 1966 (More Modifications) 1/4 mile in 16.7 sec. Won a trophy

The record is held by a modified Trail Suzuki with \$85.00 spent on modification. This is 17.44 sec in 1/4 mile carrying 200 lbs. Ken weighs 135 lbs.

With University in the U.S.A. planned money was needed so Ken sold "Lil Coffin" to Jim Yuskiv. When Ken's plans were delayed, they went to work again on the Scooter.

Alberta Cycle loaned the boys a hot engine and a new paint job was put on. The Scooter placed second on the Car Show in October against larger more expensive models.

This weekend "Lil Coffin" is on the way to Calgary for the drag races. The original frame belongs to Jim Yuskiv. The modifications are Ken's. The engine is from Alberta Cycle. The back wheel is borrowed from Andy Werner.

GOOD LUCK TO "LIL COFFIN"

Bridge Club Starts new season

The St. Albert Bridge Club re-opened their Sunday night Bridge games on September 25, 1966. This year, they will use as club quarters the St. Albert Community Hall where interior renovations has changed the dark basement into a very bright shining room with a complete new ceiling and fixtures.

All bridge players in St. Albert and District are invited to take part in the Sunday night games. Starting time 7:30 p.m.

For further information phone 599-7187.

Induction Ceremony at Morinville

Messrs. Alan Fretwell, Marcel Shays and Jeet Khullar, respectively President, Vice-President and Public Relations Officer of the Sturgeon Local A.T.A. are to be complemented

on the way they organized the ATA Induction Ceremony Local Sturgeon, for 1966, held last Saturday at the Recreation Centre in Morinville.

The program was interesting

and varied, with the Thibault Junior High Choir (directed by Mr. George Laval) providing a pleasant intermezzo during the delicious supper.

Sturgeon Local ATA covers quite a large District and we saw teachers from ALCOMDALE, BON ACCORD, RIVIERE QUI BARRE, CUNNINGHAM (Morinville), THIBAUT (Morinville), ST. CHARLES, RR2 Morinville, MISSION PARK, St. Albert, FORT SASKATCHEWAN, HORSE HILL (RR6 Edmonton), NAMAO, GIBBONS AND LEGAL.

All of them enjoyed the interesting address of the guest speaker for the evening, Dr. S.C.T. Clarke, executive secretary of the Alberta Teachers Association.

Dr. Clarke pointed out to the teachers why they must be a member of the professional teacher's association: "Our principle" he said, "is mainly based on discipline". We have to make sure our teachers are fulfilling their task in a most honourable way. Sometimes we need discip-

linary correction to assure that the standards of our profession remain at the highest level. If we allowed our organization to

be on a voluntary basis, we would be without any authority and there would be insufficient control and no discipline whatsoever!

He also pointed out that collective bargaining for teachers' salaries has proven in the past and present that the ATA has done the best job for the benefit of all teachers as a whole. In the field of raising teaching standards also, the ATA does its utmost to satisfy not only the teachers, but the students as well.

PRESENTATIONS:

MRS. ELVIN (RETIRED FROM THE STAFF LAST YEAR) AND MR. THOMAS FIND (15 YEARS CONTINUOUS SERVICE) WERE PRESENTED WITH APPROPRIATE GIFTS AS A TOKEN OF APPRECIATION FOR THEIR WORK BY THE STURGEON SCHOOL BOARD. MR. GEORGE WILSON, CHAIRMAN OF THE BOARD, MADE THE PRESENTATIONS.

Bridal showers

Recent showers honouring Mrs. Graig Kivell (ne Elaine Brewster) were hosted by Mrs. L. Gingrich; Mrs. T. Barry and Sandra Barry; Mrs. R. Gibbon; Mrs. B. Findlater and Mrs. L. Brewster; and Miss Barbara Zyha.

Elaine received many lovely and useful gifts for which she warmly thanks her hostesses and friends.

RIMBEY JUNIOR HIGH STUDENTS

represented by

BERNIE BARTKO and GREG TROITSKY

Alberta Junior Citizens of the Year.

The enterprising Rimbey Junior High School students spend many hours selling magazine subscriptions -- but not for their own profit. They are earning money to help children in Korea, Italy and Zambia. For six years they have shown an exceptional sense of responsibility in supporting two foster children, Kim Jung Kun of South Korea and Ottavia Tollis of Italy. Also, for the past two years, they have provided the money for six Zambian children to continue their education. In the past year alone they have contributed nearly five hundred dollars to these needy children.

This unselfish giving of their time and money makes these boys and girls worthy winners of this year's Junior Citizen of the Year Group Award.

We congratulate the Rimbey Junior High School students and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Jack Parry, Editor of the Rimbey Record and to the group's nominator, Helen Cooke of Rimbey.

Ball Team proved their mettle this past season winning the Sturgeon River League Championship Cup and also coming home with First Place in the 15-team Tournament at Camrose on September 4th. Coaches Katie Mabbutt and Jim Hogg can well be proud of their hard-hitting, fast moving club.

12 teams comprise the Sturgeon League: Gibbons, River Que Barre, Vimy, Horsehill, Fort Saskatchewan, Namao, Calahoo, Morinville, Legal, Bushby, Alcomdale and Villeneuve.

Four straight - wins at the Camrose tournament gave the

defeated mayhem, defeated Saskatchewan, Silverwoods, Edmonton and Brownfield.

Playing for Gibbons were Charlotte Williams, catcher; Sharon Derosia, Pitcher; Joanne Critchley, Linda Hogg, Rita Rocque, Edna Rocque, Judy Whitaker, Eileen Pelletier, Glenna Chubb, Irene Rowsell, Karen Hitchings, Kay Williams and Gail Morin. The team extends its appreciation to all loyal fans who came out to see them play.

To wind up the season they met for supper at the Seven Seas and a delightful show.

Let's get out and Vote

- October 19.

Please Vote!

We don't know who has launched the story that the St. Albert 1966 October elections are not important! It is unfortunate that some of our tax payers are inclined to believe this FAIRY-TALE which could have a serious result in the turn out of our voters!

Let's make it quite clear that every municipal election is always important regardless if we have to vote for a Mayor, Councillors, Trustees or By-Laws. Of course a certain man or woman elected for one of the public offices can mean an important change in the general policy of Council or School Board, but a By-law, accepted or defeated, can also have a tremendous effect on the general development and future of our Town.

We have already agreed which men will be in charge of our Town for 1966/67. The fact that they were re-elected by acclamation indicates that a majority of us have accepted their previous policy generally, and that we are willing to go along with them for another year.

Let's not kid ourselves into thinking that we didn't have other candidates because nobody was interested in such a low paid job! We know better as St. Albert has many intelligent and capable men and women who could do a good job! But in our opinion the majority of our citizens must have seen during the past year that we have a hard working Mayor and Councillors, with positive plans for the future development of our Town, and last but not least, a team which has proven to be a real co-operative unit, which we have missed for so many years. These men, re-elected by us, are now presenting a number of By-laws, on which we have to vote on October the 19th.

These By-laws are in the eyes of these re-elected men of vital importance to the Town of St. Albert.

Are we willing to support them by giving them a fair chance to fulfil their task as they see the best for St. Albert?

WE CANNOT RE-ELECT THEM AND FORGET ABOUT THEIR POLICY!

As a matter of fact it is we the citizens who will suffer if we show no interest in these By-laws which will have such a powerful effect on our daily lives and those of our young people. Let us show that we are interested in St. Albert with a - 80% turn-out at the polls to support our Council's money-by-laws! Please vote this coming Wednesday, October 19th as an interested and responsible citizen of our community.

Dear Sir:

A salary for our Mayor? Why-

One reason might be so that the person whose letter appeared in the last Gazette might be able to criticize Mr. Fowler, for whom he obviously has an unusually intense dislike without his conscience bothering him too much.

Mayor Fowler has earned the respect of all thinking citizens of St. Albert for his hard work and devotion to our town since his election last year.

He has done more than try to perform his job to the best of his ability - he has, I think, restored a great measure of stability and respectability to our town administration.

Further still, Mr. Fowler has tried, sometimes at the risk of offending a few sensitive souls, to awaken a greater interest in town affairs by all our citizens.

That he has since first elected worked very hard without salary elicits my admiration; that he has offered to continue in his post under the same conditions, and suffer the abuse which some misguided citizens feel are his due, makes me shake my head in wonderment and gratitude. I'm afraid that I would have given up long ago in his place.

No one expects a plumber, doctor, lawyer or T.V. repair man to work for us for nothing (and we all know this is far from the case). How in all conscience can we expect a man like Dick Fowler, who is obviously the best

man for the job, to work for nothing? Let us at least pay him as much as an apprentice tradesman for his time and effort, and hope to heaven that he will stay with us as long as he is needed. Such men are rare.

Our town has grown up very considerably - let us hope that we, its citizens, have grown up as well.

Let us ALL do the decent and honourable thing, and vote YES for our Mayor's salary.

Yours sincerely,
R.V. Gariepy.

on a first come - first served basis.

This pack is open to any boy who wishes to join. This is not a "closed" pack. Weekly meetings for the pack will be on Thursdays from 6:30 to 8:00 p.m. The age range for Cubs is 8 to 11 years inclusive, at the time of registration.

NOTE: A parent must accompany boys wishing to register, and as additional help is still required, parents will be asked if they will be able to assist in anyway.

Mr. Bob Green is the chairman of the newly formed group committee.
